Welcome and Greeting

Lighting the Christ Candle

**As worship begins today and we light our Christ Candle,
let us remember peace that Jesus came to bring his divine
light to all people in this chaotic world.**

(Susan Humphrey UC Gathering)

Call to Worship

The measure of a people's heart is this: do we remember the
sacrifice of the past; do we word for peace in the present; do
we declare hope for the future?

**With these questions we now come before, God
to name as our dream God's reign of Shalom,
to commit ourselves to the cause of peace, and to remember.**

Let us worship God.

(Rod Sykes. UC Gathering)

Hymn: O God Our Help In Ages Past...” VU 806

Opening Prayer

**O God, in this moment, we move to the side of the veterans
of every war, of every place and time.
And not only to the side of armed forces but also to the side
of everyone innocently caught in the lands of death.
Help us to do everything we can to make this world a place
where the engines of death never need to move,
and the people who drive them can always stand at ease,
Help us, O God. We ask it in Jesus' name, the Prince of Peace.
Amen.**

(Richard Bott, Moderator UC)

Prayer of Hope

**Why, O God, is there so much pain and suffering in the World?
How long must we tolerate this wrong doing and suffering?**

**Though these things continue to happen, O God, we put our
Steadfast love and faith in the promise that you will always
be there for us and everyone else.**

**You comfort us in times of trouble. We know that you
would never abandon us, Gracious God, we lift our voices to
you in praise, for you are our Salvation.**

**We trust in you and are forever grateful for your assuring
Presence. Amen.**
